Metaweds

World's first decentralised metaverse Wedding & Dating platform

A great way to have a relatively low-cost event and you can design whatever venue and details you want, where users can interact with each other through augmented reality.

A World we are building for the next Generation. We believe in the long term goal of creating a network of opportunity and becoming the Largest Blockchain Wedding and Dating Platform.

Metaweds is a 3D virtual Dating & Wedding platform where users can interact with each other through augmented reality.
